

Section P Refrigeration LEC, Dometic – Small to Medium

For convenience and ease of use, this section is arranged in ascending size, from the smaller unit suitable for satellite surgeries to units suitable for the largest group practice

LEC PE102

- 37 litre net capacity
- Solid Door
- Digital temperature display
- 380 x 500 x 705mm WDH
- 30kg weight

LEC PE102 Pharmacy refrigerator £533.93

LEC PE207

- 67 litre net capacity
- Solid Door
- Digital temperature display
- 505 x 510 x 660mm WDH
- 25kg weight

LEC PE207 Pharmacy refrigerator £695.02

LEC PE507

- 137 litre net capacity
- Solid Door
- Digital temperature display
- 560 x 600 x 865mm WDH
- 35kg weight

LEC PE507 Pharmacy refrigerator £812.54

LEC PG207

- 67 litre net capacity
- Glass Door
- Digital temperature display
- 505 x 510 x 660mm WDH
- 27kg weight

LEC PG207 Pharmacy refrigerator £926.26

LEC PG507

- 137 litre net capacity
- Glass Door
- Digital temperature display
- 560 x 600 x 865mm WDH
- 52kg weight

LEC PG507 Pharmacy refrigerator £1055.09

Dometic DS300H 2 and DS600H

- Ideal for storage of temperature critical vaccines etc
- Keeps temperature critical medicines between 2°C and 6°C
- Top mounted digital thermometer

DS300H

- Gross volume: 28 litres
- Weight: 16kgs
- Dimensions: 580 x 422 x 393 mm

DS600H

- Gross volume: 53 litres
- Weight: 18kgs
- Dimensions: 592 x 486 x 494 mm

DS300H 28 litres £306.99

DS600H 53 litres £448.99

Swan – Medium Refrigeration Section P

Swan 135, Swan 160 and Swan 165 Electronic

- Ideal for the vast majority of surgeries these 2 sizes both fit neatly and unobtrusively under existing work surfaces
- The Swan range of Pharmacy Refrigerators provide safe temperature controlled storage for all your vaccines, insulin, other temperature critical pharmaceuticals and laboratory samples
- Excellent build quality and reliability, at a very reasonable cost

Section P **Refrigeration Portable**

Portable Refrigeration

WAECO Mobile refrigeration units are designed to protect temperature sensitive goods in transport and are fitted with high performance electronics to ensure that set temperatures are achieved consistently and accurately

TC-07

- 7 litre gross capacity
- 12v/230v DC/AC
- Temp. Range, cooling down to 5°C (approx 25°C below ambient temperature)
- Weight 3.0kg approx
- Thermostat for temp setting
- Shoulder strap and connection leads supplied

TC-07 Portable Refrigeration 7 litre **£129.00**

TC-21FL

- 21 litre gross capacity
- 12/24v DC and 230v AC
- Temp range down to +1°C
- 7 stage electronic thermostat with LED display
- Memory function
- Lid with magnetic lock
- Fold away handle

TC-21FL Portable Refrigeration 21 litre **£195.00**

A useful range of sizes ensures there is a mobile unit suitable for all applications.

TC-14FL

- 14 litre gross capacity
- 12/24v DC and 230v AC
- Temp range, down to +1°C
- 7 stage electronic thermostat with LED display
- Memory function
- Lid with magnetic lock
- Fold away handle

TC-14FL Portable Refrigeration 14 litre **£185.00**

Useful accessories for WAECO coolers

DTTC-05

- Remote display of interior temperature via digital radio waves.
- Shows current temperature at the wheel

DTTC-05 **£258.51**

DTTC-07

- Data logger and software.
- USB stick logger, can be used with all fridges

DTTC-07 **£403.79**

Sparkfree Freezers **Refrigeration** Section P

Swan VFD Sparkfree -25C Freezers

A comprehensive range of high specification upright freezers equipped with temperature alarms. These models have fixed freezing shelves for even temperature distribution throughout the interior and solid internal storage drawers for easy cataloguing and sample retrieval. All models have exterior temperature control and manual defrosting eliminates the need for any internal heaters.
