

Footwear

For more than 30 years the name of SCHURR has been associated with high quality, comfortable, footwear. Hand made in Germany for constant quality, we are proud to present just a small selection of Schurr Professional and Safety Shoes.

Ideal for the following areas:

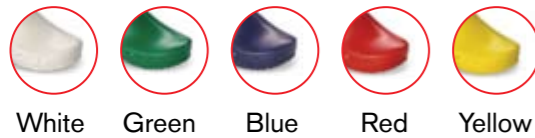

- Operating theatres
- Laboratories
- Pharmacy
- Electronics departments

Chiro Clogs

Antistatic - with removable inner sole

- Crafted from polyurethane with a wide fitting for increased comfort
- Detachable and replaceable insoles makes this clog ideal for departmental use where large numbers of different people may use the same shoe body
- Individual users can be supplied with their own insoles for increased hygiene and reduce the risk of cross infection
- Worn, damaged or soiled insoles can be replaced quickly and cheaply
- Side ventilation holes ensure air circulation and prevent heat build up
- Available with or without heel strap
- Colour coding available for different areas
- All clogs can be marked with up to 6 letters or numbers
- Washable and disinfectable up to 70°C
- Shoe size embossed on heel for easy sorting and storing
- Tested to withstand all types of mechanical cleaning

**Schurr Classic Safety and Style, Non Antistatic**

Incorporating Schurr's unique 3 phase damping for improved comfort.

The heel area of any shoe generates enormous pressures which lead directly from the foot to the spine. Schurr's 3 phase damping incorporates:

- DRY TEC PUR insole to optimise the foot climate
- Technogel shock absorbing pad
- Latex pad in the midsole
- Very comfortable
- Leather inner lining
- Replaceable inner sole made from PUR foam

Slip on with 3 phase damping
